

**STATE CONSTITUTION  
OF THE  
TEXAS ASSOCIATION OF COLLEGES FOR TEACHER EDUCATION**

**Purpose**

The purpose of the Association is to stimulate improvement in the education of professional school personnel in Texas. The primary goal of the Association is to provide, through professional organization and cooperation, for the promotion of ideas and practices which are most effective in the preparation of educators, particularly in the State of Texas and to promote effective teaching and quality education through efforts to improve educator preparation, the teaching profession, and the schools. Consistent with this purpose, the major objectives of this Association are in harmony with the objectives of the American Association of Colleges for Teacher Education and the member educator preparation institutions as they apply in and for the State of Texas.

**Article I – NAME**

The name of this organization shall be the Texas Association of Colleges for Teacher Education (TACTE), hereinafter referred to as “Association.” The Association is an affiliate of the American Association of Colleges for Teacher Education (AACTE).

**Article II – OBJECTIVES**

The objectives of this association shall be:

- A. To encourage and assist upon request, administrators and faculties of teacher education institutions to engage in research and development of improved programs for the education of professional school personnel, and to be concerned with curriculum and education in general.
- B. To stimulate and facilitate research, experimentation, and evaluation in general to serve as a clearing house of information and reports of these matters and to publicize the findings of studies that have significance for the improvement of educator preparation.
- C. To exchange reports, experiences, and ideas with teacher educators in other states and with the American Association of Colleges for Teacher Education, as a means of improving educator preparation and of strengthening national understanding and cooperation.

- D. To make available to colleges, universities, and other agencies, upon request, professional consultant services and other practical assistance to help them improve their programs for the education of professional educators.
- E. To present the professional education component of the colleges and universities of Texas before all segments of the public, and to promote the best interest of educator preparation in Texas.
- F. To maintain close communication with, and, when requested to do so, to act in an advisory capacity to the Texas Education Agency, the State Board of Education, the State Board for Educator Certification, the Texas Higher Education Coordinating Board, and the Texas College and University Systems, on matters relating to educator preparation and certification.
- G. To place before the member institutions, the Texas Education Agency, the State Board of Education, the State Board for Educator Certification, the Texas Higher Education Coordinating Board, Texas College and University Systems, the State Legislature, other interested parties, and the public at large, the policies and recommendations of the Association of matters of educator preparation and certification to which the members wish to speak with a common voice.
- H. To cooperate with other professional organizations and agencies in activities designed to establish desirable directions, goals, and standards for educator preparation.

### **Article III – MEMBERSHIP**

Membership shall be open to all Texas institutions of higher education with accredited programs in educator preparation.

### **Article IV – LIAISON RELATIONSHIPS**

Liaison relationships may be established with associations and agencies with an interest in the preparation of professional school personnel.
